

JEWISH TESTIMONY

On Monday February 18, 2013 Rocio Meza was out visiting in downtown Mexico City; and found a shoes polisher man that looked Jewish. She came near that man and

gave him a "Believe in the Prophets" booklet. Rocio asked him "are you a Jew" this shoe polisher man answered saying "yes I am, my mom and dad were Jewish they were born in Spain and came to Mexico on a ship through the State of Veracruz" Rocio asked "do you practiced the Jewish religion" "no" said the shoes polisher man.

After a little chat Rocio asked for his name "my name is **Oscar Linares Rodriguez**" answered the Jewish man. Then Rocio asked him if he was still waiting for his Messiah or he believed that our Lord Jesus Christ was the promised Messiah for the chosen people of God. Mr. Linares said that he believes that "Jesus is Almighty, and I can feel his presence."

Rocio told Mr. Linares if wanted to know how he can received eternal life through Jesus and go to heaven with him. He said "yes"

Rocio explained to him that he was a sinner, and showed him in the Scriptures how Jesus his Messiah could redeem his sin. So Mr. Linares received our Lord Jesus Christ as his Savior and Messiah.

After the prayer Mr. Linares said "Now is fact that when I die I will go to heaven to be with my Messiah.

His job still the same "shoe polisher" but from now on he will be a "Happy shoe polisher"

Glory to God, one more Jewish soul for Jesus!
