Bible Clubs in Saltillo, Mexico

Van broke down in the middle of the Mountains & God sent a wrecker, Amen!

Some of the children that were saved at the Bible clubs.

Praise the Lord for His blessings. We have seen **44 saved in our personal soul-winning** these past two months. Many more have been saved in the Bible Clubs that we were able to work in during December. We also gave out **336 Bibles** to pastors during December and **264 in January**. As fast as we bring in Gospel tracts from the border they are gone. We just brought in 8 cases two weeks ago and we only have 1 box left. Tomorrow a Mexican Pastor is going to the border and will be bringing us back 10 cases of tracts. Amen! The first picture to the left is a church in Saltillo that we helped when they had their Bible Club. We went for the Wednesday night service and saw over 300 in attendance. They had the first service for adults while the children played outside on inflatables and then the second service was held for the children. The building was packed for both services. Many people were saved.

The next picture is out in the middle of the desert with a van that lost its transmission on the way to Bible Clubs 4 hours from Monterrey. We were praying about what to do when a large wrecker drove by and stopped. He had been called by the federal police to go to a wreck an hour further down the road, but he stopped and in less than 10 minutes put the van on his truck with passengers in the van still and took off to drop it in the next town 20 minutes away. We loaded up extra people in our van and took off for that town. We found the van and the rest of the church people just after entering town. We had to leave the van and go on to Bible Clubs an hour further down the road in two vehicles instead of three. As we drove, we passed the wrecker picking up the other car. We know God worked a miracle for us that day in sending the wrecker, and he didn't charge us anything. There were over 600 in attendance at four different clubs with 70 workers from Iglesia Bautista Monte Olivos and ourselves. **Over 200 were saved** and God protected us all the way.

Dec. 24<sup>th</sup> & 25<sup>th</sup> we did Bible Clubs for a preacher on the other side of Monterrey, Pastor Eladio Rangel. It was a great two days with many children saved. Then on Christmas Day on the way back from the Bible Clubs we stopped under a bridge in Monterrey and the two college guys and Caleb preached to a group of men that live under the bridge. We had planned the day before to bring them dinner for Christmas and they were very thankful. It was a great way to spend Christmas.

We have purchased our plane tickets to Guatemala. Amen! **March 12<sup>th</sup>-25<sup>th</sup>** we will be in the **country of Guatemala** visiting Missionary Daniel & Misty Wilder and also going to a conference for Missionary David Lott and **passing out BEAMS Bibles**. Please pray for a safe trip and for many pastors from other countries that will receive the Bibles.

We thank you all for your continued prayers and support. Our ministry to reach the Mexican people with the Gospel through soul-winning, teaching, Bible Distribution and working in the local church could not be possible without you all. We do pray for you and would like to know if you have any special prayer requests. Please write and let us know if you do.

Your missionaries to Mexico,

Received with grateful hearts,

Carrie & Caleb Suhl
