Some of Martin's old friends came to him asking when are we going to kill these men who killed your son. Martin told them No. I want them to be saved too! Praise God!

Please pray for our finances 28 years without a furlough has lost us many churches. Many have changed pastors or disappeared. We are so grateful to those of you who support us and pray for us. Truly this is your work more than ours. We love you and thank you!

In Christ.
